FIBERCEMENT SIDING

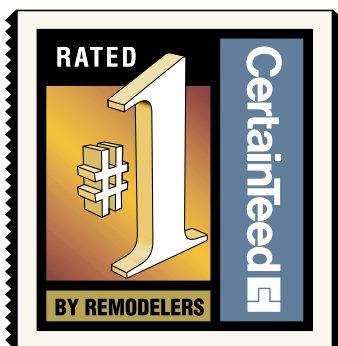

**CertainTeed** 

*Quality made certain. Satisfaction guaranteed.™*

WEATHERBOARDS SIDING IS THE BEST FIBER CEMENT SIDING YOU CAN BUY. PLUS IT'S BEAUTIFUL. IT GIVES YOUR HOME THE BEST FEATURES OF WOOD, WITHOUT ANY OF WOOD'S HASSLES.

CertainTeed's proprietary DuraPress<sup>®</sup> System of manufacturing gives WeatherBoards siding superior protection against the elements. And to further protect its beauty, WeatherBoards is available factory-sealed with the exclusive FiberTect<sup>™</sup> Sealing System. Your home deserves the great looks and long-lasting durability of WeatherBoards siding, America's finest fiber cement siding.

## WEATHERBOARDS SIDING – HIGHEST APPEAL AND HIGHEST PERFORMANCE

Fiber cement siding  
outperforms wood.

Here's how:

- Consistent quality and excellent dimensional stability
- Class 1 (A) Fire Rating
- Impervious to wood-boring insects
- Resists damaging effects of salt spray and UV rays
- Will not rot
- High job site durability

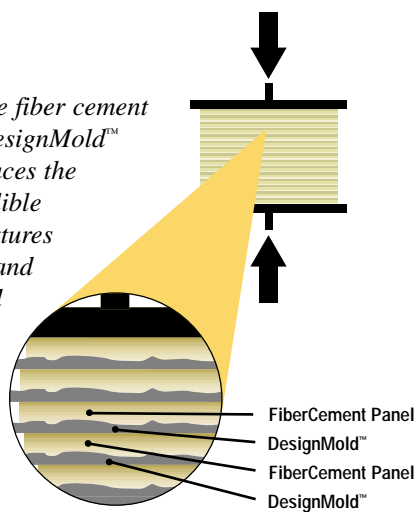

THE DURAPRESS® SYSTEM  
MAKES THE DIFFERENCE

CertainTeed's manufacturing system provides:

- Authentic, consistent **DuraPress**  
grain definition **S Y S T E M**
- Tougher product less likely to fracture on impact
- 60% higher interlaminar bond strength results in superior freeze/thaw protection
- Exclusive precuring chamber reduces surface chalking

*Pressing of the fiber cement sheets with DesignMold™ plates reproduces the realistic, indelible grains and textures of real cedar and hand-troweled stucco.*

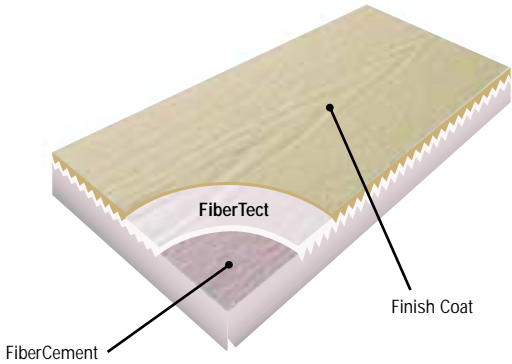

## FIBERTECT™ SEALS THE BEAUTY IN

The exclusive FiberTect™ Sealing System is far more than a primer:

- FiberTect penetrates into and bonds with FiberCement
- Seals against unwanted moisture significantly better than other competitive priming systems
- Bonds to the paint for a longer-lasting, better-looking finish
- The industry's longest paint window, based on written warranties

*FiberTect Sealer bonds with the WeatherBoards panel to create a perfect foundation to assure optimum topcoat performance.*

*Get WeatherBoards siding prefinished. Most popular WeatherBoards profiles and textures are available. You'll get the best finish warranty in the business.*

PREFINISHED PROGRAM BENEFITS:

- Readily available in 14 rich, high-quality Olympic® Paint colors
- Paint applied to exacting standards results in a higher quality finished job
- 6 wet mil application applied over FiberTect™ Sealer for best performance
- Reduces builder/contractor dependence on painters' skills
- Fast delivery
- Professional packaging with protective slip sheeting
- Outstanding warranty coverage with SureStart™ Warranty Protection\*

Colors shown are as accurate as printing methods will permit. Please see product samples for actual shades.

\* See actual warranties for conditions and details.

## LAP SIDING
